

YPS LIASON PROGRAM DESCRIPTION OF DUTIES

(Updated May 2024)

1. Liaisons will serve a two-year term.
2. Liaisons will be responsible for representing the Texas Society of Pathologists (TSP), and particularly the Young Pathologists' Section (YPS).
3. Liaisons shall act as a conduit for disseminating important information between the TSP / YPS and trainees within their programs.
4. Liaisons shall help trainees within their programs connect with the TSP / YPS and promote engaged involvement with the society.
5. Liaisons shall represent the trainees within their programs, promoting their interests and needs to the YPS leadership to foster opportunities for growth that can be aided by YPS and TSP.
6. Liaison shall participate actively in TSP, including working with other committees, such as the membership committee, to increase overall engagement and representation of the YPS within the society.
7. Liaisons, in conjunction with the YPS Chairs and administrators, shall help organize and host regional happy hours, which are typically held mid-July.
8. During the liaison's second year of service, they will help to recruit and mentor incoming liaison applications from their program.

For any additional questions regarding liaison duties or the YPS program, please email the current YPS Chair as listed on the YPS homepage.
